Subject: Authorization to use Grundfos logos, videos and photos

Dear Mr. Alex Bochlin,

We send you our authorization to use our logos, any photos and videos of our products on your website and on the marketing material to support the initiatives you have promoted, which are previously authorized by the Marketing Office of Grundfos Pompe Italia Srl. It is understood that your company undertakes to use them in full compliance with the provisions of the laws and regulations in force and that, in the event of termination of relations, for any reason whatsoever, your company may no longer use, in combination with their own brand, the images of Grundfos.

Best Regards
